Offer Text : <i>Offer No:2044</i>	<p>Chrysamed GmbH is an Austrian company with its factories in Turkey. They are the leading manufacturers of Pest Control products and the products have been sold to several European countries. They also produce water based Insecticides for household, Public Health, and veterinary use. Insect repellent spray for Human body, Repellents to keep cats and dogs away, Rodenticides, Pesticides for Agriculture, fertilizers and special plant protection products. Furthermore, they produce also private Label on demand for their customers. The company is looking for wholesalers, distributors, chain store owner, supermarket and discount market suppliers. Their products are sold at EU market under the name of ENVIRA. Chrysamed is different than the other competitors in not only because of our TOP quality but also via our PATENTED formulation: - With their Chrysa formulation, they are NOT using PBO or any other SOLVENT or any PROPELLANT. They have the nanocapsule technology meaning that they avoid the surface tension of the water molecules, shrink it less than 1 micron, extend the active ingredient to these small molecules, so the active ingredients are mixed with water homogenously and do not decompose.</p>
