IBCS

International Business Contact Service

Dear Sirs,

We are pleased to introduce you the new Turkish business parties by "IBCS" International Business Contact Service, conducted by The Istanbul Chamber of Commerce.

We believe in that considerable results are being obtained by this way and IBCS provides a great help for promoting business relations between our countries.

Meantime please advise your members to contact directly with the interested companies and to fill in the attached application form and fax it back to our Chamber, to announce their demands and offers to our members.

We would kindly like to have your attention to the fact that, in return we will make the weekly newspaper of this Chamber available to the disposal of your members.

Thanking once again for your kind attention on this matter, we remain

Very Truly Yours

For The Secretary General
